1. Introduction

NMTronics (India) Private Limited ("Company/NMTronics") is engaged in providing technological solutions to its customers especially in the field of Electronics Manufacturing.

There are many innovations inside our working environment as a true Technology company and working completely in sync with "Make in India" concept of supporting in Electronic Manufacturing. NMTronics believes that this position brings both opportunity and responsibility. NMTronics believes in applying its skills and resources where it can make the greatest impact on the society. This belief is entwined in all the Community involvement programs and the same is accomplished through a skill-based approach, driving meaningful change in the community by establishing a 360o connect by Corporate Social Responsibility ("CSR") program initiatives.

The Company's CSR activities revolve around some guiding principles - Impact, Innovation, Integrity, Inclusiveness.

The initiatives taken by the Company is in consonance with projects and programs relating to activities specified under Schedule VII to the Companies Act, 2013 ("Act") and Section 135 of the Companies Act, 2013.

2. Objectives of the Policy

The main objective of CSR policy is to make CSR a key business process for sustainable development of the society by:

- Driving measurable change in our communities and
- Inspiring our actions as societal change makers and contribute to societal needs by applying our skills and expertise.

3. CSR Committee

Pursuant to sub-section 9 of Section 135 of the Companies Act, 2013 and the amendments thereof vide section 27 of the Companies Amendment Act, 2020, the Company/Board of Directors shall not be required to constitute the Corporate Social Responsibility (CSR) Committee.

Text of Section 135 (9) of the Act as follows:

Section 135 (9): Where the amount to be spent by a company under sub-section (5) does not exceed fifty lakh rupees, the requirement under sub-section (1) for constitution of the Corporate Social Responsibility Committee shall not be applicable and the functions of such Committee provided under this section shall, in such cases, be discharged by the Board of Directors of such company.]

Hence, the CSR committee has been dissolved and functions of CSR Committee now been discharged by the Board of Directors of the Company.

4. Role of Board of Directors

The Board of Directors shall approve the CSR programs for the Company.

- a) To formulate and recommend to the Board of Directors, the CSR Policy which shall indicate the activities to be undertaken by the Company as specified in Schedule VII of the Act and the applicable Rules;
- b) To recommend CSR activities to be undertaken by the Company or in collaboration with any other entity;
- c) To recommend the amount of expenditure to be incurred on the CSR activities;
- d) To monitor the implementation of the approved CSR activities from time to time.

5. Programs under the Policy

The Company shall undertake CSR activities included in its plan for that year, as recommended and approved by the Board of Directors at the beginning of each year, in accordance with Schedule VII of the Act, and the rules thereof. Also to approve any modification to the existing CSR plan or to propose any new program during the financial year under review.
